Dear customer

An optional part is added to the catalogue. Three different front upper shock absorber mounts were homologated, but only two of them were available in the parts catalogue until now. The third option, which corresponds to a +4° Caster setup, will be available from December 2024 onwards. Part no. 5FR412331J / 332J ..

You will find setup details in the car Leon VZ Suspension Manual.
